

How Legal Expenses Insurance help your business

While we are focussed on supporting all our policyholders during these exceptional times, we are conscious that the coronavirus pandemic is presenting enormous challenges for anyone running a business.

We want to provide whatever assistance we can to help you to navigate these uncharted waters, here is a brief summary of the support that is available.

Legal cover

We can help you with unexpected legal issues, such as;

- Where expert legal advice is needed quickly
- A dispute with an employee escalates and can't be resolved
- A notice of an enquiry into the tax returns of the business is received or there is a dispute about compliance with regulations
- A Health & Safety problem that ends with enforcement actions
- Damage, nuisance or trespass affects your business premises
- Your business attracts adverse publicity

Helpline Assistance

Another ARAG resource that our commercial policyholders are finding invaluable at the moment is our legal advice and counselling helplines which are available 24 hours a day seven days a week.

Legal advice and tax helplines

You can call our legal advice helpline and get immediate advice on all legal problems affecting your business. You can also obtain tax related advice from our tax helpline or use our counselling assistance helpline which also is available to your employees and their families.

Legal News

We offer regularly updated legal news on a range of subjects from financial assistance to employment and tax.

ARAG's legal services website

Our Business Legal Services website offers a huge resource to any business, with an extensive law guide and document building tools with which you can create a range of legal documents customised to your business, including HR notices, health and safety information, and debt recovery letters. The site is updated regularly and more content regarding furloughed employees and those working from home has recently been added.

You can use the service by going to www.arag.co.uk/docs and completing the simple registration process using the voucher code in your policy wording.
